

SUPER FLY INSECT FRASS 3-1-2

AVAILABLE SIZES:

0.5 lbs	1.6 lbs	22 lbs	37.4 lbs
---------	---------	--------	----------

GAIA GREEN ORGANICS Super Fly Insect Frass is a fertilizer derived from the excreta of black soldier fly larvae. It is a renewable resource produced from pre-consumer food waste fed to fly larvae. Though new to growers, this digested material has played a significant role in plant nutrition for millions of years, and is rich in essential nutrients.

DERIVED FROM:
Insect frass.

BENEFITS:

- An excellent fertilizer derived from the frass of black soldier fly larvae.
- A renewable resource produced from pre-consumer food waste fed to soldier fly larvae.
- Easy to handle and apply.

GUARANTEED ANALYSIS:

Total Nitrogen (N)	3.0%
1.8% Water Soluble Nitrogen (N)	
1.2% Water Insoluble Nitrogen (N)	
Available Phosphate (P ₂ O ₅)	1.0%
Soluble Potash (K ₂ O)	2.0%

GAIA GREEN ORGANICS Super Fly Insect Frass is approved for use in organic agriculture by California Organic Input Material (OIM) Program (in compliance with the California Fertilizing Materials Law and Regulations and the USDA National Organic Program Standards). GAIA GREEN ORGANICS Super Fly Insect Frass is approved for use in organic agriculture by the Organic Materials Review Institute (OMRI) (in compliance with the USDA National Organic Program Standards).
